

GRADE 12

Automotive Service and Repair 12

SD62 Sooke

This course is designed to enable students to pursue a career in the automotive field. Students need to complete both the theory and practical applications of the modules covered. The hands-on practical component of the course provides the opportunity to apply and refine theoretical components, as well as refine workplace and employment skills. The course is based on the level 1 Automotive Service Technician Apprenticeship curriculum.

Credits: 4

Approval Date: Sep 2020

Hours: 120

Trax Code: YMR

GOALS AND RATIONALE

Industry, education and government recognize the need for the training of individuals for the automotive industry, especially with the increasing complexity of the industry, which is coupled with an ever-increasingly aged automotive technician workforce. It is important for students to have the opportunity for personal and professional development while gaining lifelong skills and knowledge. They will be able to think critically, use cross-disciplinary logic, math, and science knowledge and skill
