Approval Date: Sep 2018

Hours: 120

Trax Code: Y

GOALS AND RATIONALE

This course will enable students to develop a basic level of language proficiency in receptive and expressive language: listening, speaking, reading, and writing. Develop an understanding and appreciation of cultural differences and similarities. Develop and preserve pride in their own heritage while developing language and skill sets in English. Develop and maintain a sense of sense of identity within the new culture and contexts.

BIG IDEAS

The acquisition of English Language & understanding of Canadian culture is essential to participation in Canadian society. Family, friends & social connections are essential supports in the community. Activities & routines in the Canadian culture are ongoing learning processes. Participating in the immediate community & contributing to society enrich our lives. Work life practices are embedded in the community, home, school & society.

ADDITIONAL INFORMATION

Aboriginal Worldviews and Perspectives: Declaration of First Peoples Principles of Learning: Support the development of self, family, community & others, while sharing stories, cultural ways of supporting & nourishing families & ceremonies. Learning is reflective, reflexive, holistic, experiential & relational. Learning is in history, memory & story of one's culture & the world. Learning requires exploration of one's identity & the country one lives in.
