Hours: 120

Trax Code: YHEC

GOALS AND RATIONALE

- Allow students with varying degrees of abilities to feel empowered to accomplish the new First Peoples graduation requirement
- Enable students to gain a deeper understanding of place and their role within the community
- Give students a sense of connectedness and a feeling of belonging
- Allow students to show their creativity while understanding its place in history

BIG IDEAS

- Experiences deepen our understanding of diverse, complex ideas of self, community and the environment.
- Living sustainably supports the well-being of self, community, and the environment
- Appreciating and experiencing connectedness to land, family, culture, and community
