

GRADE 11

Glass Work 11

SD36 Surrey

Glasswork 11 provides opportunities for both novice and experienced participants to design and create projects using various glass working methods and mediums. Students will practice the design process, how to safely use and care for the facilities, tools and equipment, while learning the processes, procedures and the historical and cultural aspects of glass working.

Credits: 4

Approval Date: Jun 2018

Hours: 120

Trax Code: YIA

ADDITIONAL INFORMATION

Glasswork 11 will provide students with the opportunity to explore and express themselves using a durable, versatile and recyclable material that has been used since 1500 B.C. Glass is widely used for architectural embellishment and artistic expression, while engineers and industrial designers turn to glass products for resolving problems in industry.
