GOALS AND RATIONALE

Sooke School Districts 62 Sports Academies endorse Long-Term Athlete Development (LTAD) for the development of all Canadian athletes. LTAD combines the best research in today's sport science with the best practices in coaching and training from around the world. LTAD is a clear path to better sport, greater health, and higher achievement. Children, youth, and adults need to do the right things at the right time to develop in their sport of activity.
