

GRADE 10

Introduction to Eco Literacy 10

SD62 Sooke

The intention of this BAA course is to support and supplement courses that bring students together through the communal experience of on and off campus learning spaces. Ideally place-based learning explorations with the holistic integration of content and curricular competencies from several academic courses (science, food studies, sustainability, physical health education, social studies, and careers).

Credits: 4

Approval Date: Jan 2022

Hours: 120

Trax Code: YVPA

GOALS AND RATIONALE

With the educational approach that strengthens connections between school and community, this course will emphasize social responsibility, ecological literacy and critical thinking. This course will tie together the unique experience of being together in a cohort program as well as members of the local community.

BIG IDEAS

Social Emotional Learning, Autonomy, Service Learning, Sustainable Living.
