

**GRADE 10**

# Music Composition 10

**SD62 Sooke**

This is an introductory course into music composition and music theory. Some of the content covered will surround traditional music theory, traditional music composition, as well as contemporary composition techniques with modern technology. This course will help prepare students for a career in music in which knowledge of these skills and applications are very essential. In addition, it will compliment other musical training that can lead to a profession and/or life-long enjoyment.
