GOALS AND RATIONALE

Outdoor Leadership emphasizes and develops skills in a variety of enjoyable outdoor activities that promote lifelong healthy active living. Through participation in a wide range of outdoor activities and exposure to numerous outdoor surroundings, students will enhance their movements, competence, resilience, personal fitness, confidence and leadership skills. Students will continue to build their sense of self, interact positively with others, & develop their ability to think critically & creatively.

BIG IDEAS

Participation in outdoor activities allows for the development of skills in a complex and dynamic environment. Participating safely in group outdoor activities requires communication, teamwork, and collaboration. Experiencing a variety of activities helps one to choose those activities that one will participate in for a lifetime. Spending time outdoors allows us to develop an understanding of the natural environment and ourselves.
