

GRADE 11

Perspectives Mondiales 11

SD43 Coquitlam

Perspective Mondiale 11 is an interdisciplinary Social Studies/Economics/Social Justice course for French Immersion students. The course focuses on deepening students' understanding of current local and global issues, by engaging them in critical inquiries. These inquiries are interdisciplinary and are framed by historical and geographic thinking concepts, such as causes and consequences and sense of place.

Credits: 4

Approval Date: Jun 2021

Hours: 120

Trax Code: Y

GOALS AND RATIONALE

The course is divided in 4 units - Globalization and Identity. Currents and historical Impacts of Globalization. The effects of globalization on the environment and the economy. The role and responsibilities of the Canadian citizen.

BIG IDEAS

Economies, politics, societies & cultures are interconnected. Environmental issues are complex & have lasting impacts on society. Humanitarian initiatives can transform individuals & social systems. International political institutions and ideologies shape both the exercise of power & the nature of political outcomes. International political agreements require compromises between countries with a wide range of values & priorities.
