

**GRADE 12**

# Tutoring

## SD05 Southeast Kootenay

Tutoring 12 is a continuum of Tutoring 11 and is a participation-based course that enables students to continue their interest in helping Jr. students and prepares students to provide assistance to others in their schools and communities. Students will work under the supervision of a teacher in order to provide assistance to younger students, either as individuals or in small groups, where they will personally engage and build connections. The Tutoring course offers the opportunity for etc.
